Describe it as if you were explaining to someone who can't see it.

Think about: Is it handwritten or typed? Is it all by the same person? Are there stamps or other marks? What else do you see on it?

This document is a color photograph, vertical and rectangular, showing me sitting down alone in the shot. The location was 6th grade camp.

Observe its parts.

Who wrote it?

A camp counselor took the photo.

Who read/received it?

Nicholas Parsekhian

When is it from?

January 2020

Where is it from?

Camp Pali, Lake Arrowhead, California

Try to make sense of it.

What is it talking about?

The photo shows me sitting on the grass and smiling into the camera.

Write one sentence summarizing this document.

This is a portrait of me before covid shut everything down for the next two years.

Why did the author write it?

The counselor took it as a random moment during camp roll call.

Quote evidence from the document that tells you this.

My expression in the photo, happy and carefree, still a kid having fun with his friends.

What was happening at the time in history this document was created?

In January 2020, COVID-19 was just starting to spread in China and the first US case had barely been confirmed.

Use it as historical evidence.

What did you find out from this document that you might not learn anywhere else?

From this photo I can see the details of myself on that day, what I looked like, my mental state during camp, and the clothes I was wearing.

What other documents or historical evidence are you going to use to help you understand this event or topic?

I'd look at other photos from the same camp trip.
